

School Safety & Prevention Professional Development and Resources 2010-2011

Essential Skills and Practice: Developmentally Appropriate Sexual Health / HIV Prevention Education

This training gives educators a sequential overview and holistic perspective of how developmentally appropriate HIV/STD prevention and sexual health education can be implemented in grades K-12 using a variety of research - based approaches.

January 25, 2011 Arizona Department of Education (Phoenix)

School Safety Program – Leadership Training: On the Mark with the School Safety Program

This training covers the Program's philosophy and requirements, individual stakeholder roles, safety legal issues in schools, and an introduction to LRE. Those required to attend are all district administrators, principals, and agency supervisors new to the program or who did not attend in either the 2008-2009 or 2009-2010 school year.

January 25, 2011 Metro Tech High School (Phoenix)

School Safety Program – Advanced Leadership Training Level I: Charting a Course for School Safety

This training provides information on utilizing data to improve school safety and utilize valid data to improve school safety and climate. Those required to attend are all continuing principals or designees who attended the Leadership Training in previous years.

January 13, 2011 Metro Tech High School (Phoenix)

School Safety Program – Advanced Leadership Training Level II: Charting a Course for School Safety - *Building a Culture of Competency*

This training delivers a more in-depth examination and hands on exercises on utilizing data to improve school safety and climate. Those required to attend are all continuing principals or designees who attended the *Leadership and Advanced Leadership Training: Charting a Course for School Safety Level I* in previous years.

February 3, 2011 Metro Tech High School (Phoenix)

Law-Related Education (LRE) Advanced Academies

These LRE academies offer the teaching of rules, laws, and the legal system to actively prepare students for responsible citizenship and to practice the application of law in potential real-life situations. ADE partners with the Arizona Foundation for Legal Services and Education (AzFLSE) to offer these academies to school safety officers, teachers, and administrators at no cost. However, these academies are available to anyone at varying costs, so please contact the AzFLSE at 602-340-7260 or visit the registration website <http://www.azflse.org/academy>.

Multi-Hazard Emergency Planning for Schools (Regionally Upon Request)

This course explores the basic knowledge of emergency management principles, the Incident Command System, and the tools and resources to design and/or strengthen school personnel's entire hazards emergency response plan. ADE partners with the Arizona Division of Emergency Management to present this course.

Online registration for this course: <http://www.dem.azed.gov/preparedness/training/mheps.html>

Multi-Hazard Emergency Planning for Schools (New 4-Day Course)

This 4-day course, held March 7-10, 2010 in Phoenix, is tailored to the unique planning and exercise needs of school systems. By systematically analyzing threats/hazards, school teams are able to identify needed enhancements to their plans for preventing or mitigating incidents while also preparing for, responding to, and recovering from incidents. Each school team prepares and participates in a table-top exercise using the Homeland Security Exercise and Evaluation Program (HSEEP) guidelines and tools.

Training is done in a team format. Teams should consist of the following members: First Responders (3 people) and School District Officials (4-6 people).

Applications can be found online at <http://training.fema.gov/Apply/119-25-1%20Previously%20FF75-5.pdf>. The deadline for submitting the application packet is **January 3, 2011**.

Sex Education/ HIV Prevention Curriculum Training

This training is offered to schools planning to implement sexual health education may request an on-site facilitator training in either the ***Making A Difference*** (middle school) or ***Reducing the Risk*** (high school) curriculum. The trainings are for educators with health education experience who are preparing to use the content with students.

To download the curriculum training request form: <http://devweb1/sa/health/downloads/SexEdHivPrevTrainForm.pdf>

Mandatory Reporting Of Child Abuse Online Training

This free, ongoing training, presented by the Arizona Governor's Office and the Maricopa County Children's Justice Program, consists of 4 modules, with information short videos; it should take approximately 2 hours to complete. The investigation protocol presented in this training is specific to Maricopa County. Contact information for all county Children's Justice Coordinators is provided should there be any questions related to the investigation protocol specific to each county.
